

Caring for you and your little one

We know time with your child is precious. That's why we created Eton Cares, a full-service patient support program designed to help you and your child along your treatment journey.

If your child's doctor has prescribed ALKINDI SPRINKLE® (hydrocortisone) oral granules, you will be automatically enrolled in Eton Cares.*

Eton Cares: Helping patients and their families through individualized treatment and support.

Insurance Specialists

Ensure you understand your benefits and help your doctor's office verify and obtain prior authorization and insurance coverage.

Pharmacists

Provide 24/7 support by phone, monthly worry-free refill reminders, and shipment alerts.

Nurse Ambassadors

Provide regular check-ins, answer questions about your child's health and medication, and support you through treatment.

Steps to treatment success

1 | Insurance verification

An Eton Cares Insurance Specialist will help your doctor's office in their efforts to verify and obtain insurance coverage.

2 | Pharmacist follow-up

After your prescription has been processed, a pharmacist will call you to answer questions and schedule the delivery.

3 | Registered nurse check-in

An Eton Cares Nurse Ambassador will call regularly throughout your treatment journey to answer questions and help set and manage treatment goals.

4 | Worry-free refills

To help you stay on track, Anovo® Specialty Pharmacy will stay in contact with you about medication refills and deliveries.
